출장 가서 하는 활동 경향 (= 출장에 가져가는 물건들)

Q. What is your basic routine like when on a business trip? What do you usually do first? Do you usually check into a hotel, or do you have meetings right away? What do you do if you have any free time? Do you just stay at the hotel, or do you go sightseeing?

출장 갈 때 당신의 기본 일과는 무엇인가요? 처음에 주로 무엇을 하나요?

주로 호텔에 체크인하나요, 아니면 바로 회의를 하나요? 만약 자유 시간이 있다면 무엇을 하나요?

그냥 호텔에 머무르나요, 아니면 관광을 하나요?

(서론 - 출장 자주 가)

- It's a good question because I go on a lot of business travel all year round.

- I guess my current job involves quite a few business trips and meetings.

(본론 1 - 얼마나 자주, 얼마 동안)

- I go on business trips at least 5 to 6 times a year/every 2 or 3 months.

- Normally, I go on a week-long trip to the countries in Asia.

- For most of the time I'm away, I keep quite busy.
- To make up for it, my company always schedules an extra day for me to relax and go sightseeing.
- I think it's very considerate/nice of them.

(본론 2 - 무엇을 하는지, 가져가는지)

- So, on a regular business trip, I go straight to my hotel, take a shower and get changed.
- There's usually a client meeting scheduled for the day I arrive.
- I typically have meetings Monday through Friday and fly out on Sunday evening.
- And on the weekend, I always go out to try the local cuisine and shop for special gifts.
- In addition, I love to see famous sights, so I make sure to pack my camera and the suitable clothes for the weather.

(마무리 - 출장 즐겨!)

- Anyway, I can say I've been to so many nice places on business trips.
- I work really hard and get tired when I travel, but all in all, these trips tend to be pretty enjoyable experiences.

- It was a trip that I took to Beijing, China about 3 years ago.
- Actually, it was a very important trip to meet with an important client.
- Well, what happened was, it was raining heavily that day, so there was a long flight delay.
- Just before takeoff, the pilot announced that the flight would be delayed until the rain let up.
- So we had to sit on the runway for so long, and then, the flight was cleared for takeoff 2 hours later.
- Oh, and when I arrived in Beijing, I had to go straight to the meeting place.

(본론 2 - 특별했던 일)

- What made the trip particularly memorable was that the meeting was a success although I was about half an hour late for the meeting.

(서론 - 언제의 경험 소개)

- Normally, I go on business trips in all kinds of weather, which means, I need to be careful.
- So... I had a memorable experience one time while I was walking on the road.
- It was last winter when I was in Tokyo on business.

(본론 1 - 어디서, 무슨 일)

- On the first day of my trip, I was walking around my hotel.
- Actually, I was on my way to a famous Japanese restaurant nearby to get lunch before a meeting.
- I guess I was in a rush because I didn't notice the road was kind of icy.
- So I suddenly slipped on a patch of ice and fell backward.
- I landed heavily on my bottom and my butt/legs/knees hurt so much at the moment.

(본론 2 - 특별했던 일)

- What made it even worse was that the road was crowded with people.
- Although I wasn't seriously injured/hurt, I couldn't help but feel so embarrassed.
- So I just returned to the hotel and got lunch delivered instead of eating out at a restaurant.
- Oh, and you know what? Next morning, I had a big bruise on my knees.

(마무리 - 잊지 못 할 경험!)

- Looking back now, it was such a/an weird/embarrassing/unforgettable experience I've had on a trip.
